Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach a variable length coding that comprises a first and a second number of data symbols having, respectively, a first and a second data values wherein at least one characteristic of the variable length coding applied to the data symbols is adapted according to said second number of data symbols which have values other than the first value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
